LEAD WARNING STATEMENT:

Every Buyer(s) of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. Seller(s) of any interest in residential real property is required to provide Buyer(s) with any information on lead-based paint hazards from risk assessments or inspection in Seller's possession and notify Buyer(s) of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
