240 Additional details:

241 Line 226: 23. Property tax bills for 2024 and prior years may not reflect the future tax burdens on non-owner-occupied
242 residential properties such as second homes, vacation homes, and short-term rentals. Recent legislation passed by the
243 Montana Legislature (House Bill 231 and Senate Bill 542) raised the tax burdens on such properties and will take full effect
244 in tax year 2026 and reflected in tax bills sent out in the fall of 2026. Further, the Montana Department of Revenue's
245 statewide property appraisal for the 2025-2026 biennium is anticipated to raise the value of all residential properties
246 beginning in tax year 2025. Buyers are encouraged to consult with a tax advisor or real estate attorney for further
247 information concerning the impact these changes may have on the tax bills for any Montana residential property they are
248 considering. This notice is provided for informational purposes only and does not constitute legal or tax advice.
